Freezer Cold Climate Lamps

Globe Guardian-
Globes, Jars, Laboratory Glassware

FREEZERGLO®

SHATTERPROOF COMMERCIAL FREEZER & REFRIGERATION LAMPS

Glass Surface Systems' line of Freezerglo products are engineered to take the chill off of your cold temperature application lamps. Positive cold climate protection ensures bulbs stay warm while eliminating bacteria and moisture penetration. Offering two options including our original freezerglo line engineered to -30 degrees F, and our newest Z-Light Zero-Light Line. Both are self warming insulated answers for cold rooms and refrigerated areas giving a much longer life to the lamp, shatterproof protection and higher lumen output.

SUPERIOR COATINGS

Twice the Light / Half the Energy

- Much longer lamp life

NEW SUPER BRIGHT T5 Z-LIGHT

COATING ONLY AVAILABLE
